

Beaded Bookmark

Level: Easy

You will need:

3 x 2"	Selection of Beads
1 x 1"	Head Pins
12"	Eye Pin
2	Length of Thonging
	Coil Crimps

1. Clamp the last ring of a coil crimp onto the length of thonging until it grips. Repeat on the other side.

2. Make a beaded pin as shown in the photo, you can vary the beads if you wish.

3. Open up the large jump ring and onto it slide the top drilled droplet bead and the eye from the eye pin. Close the loop.

4. Bead up this pin following the photo, or make up your own design.

5. Attach these two pins to one end of your bookmark.
6. Bead up the final pins with the last few beads and attach to the other end of the bookmark.

7. Now find a book and have a good read.
