

Heart Earrings

Level: Easy

You will need:

1 Pair Earring Wires
6 x 10mm Jump rings
6 x 10mm Shell Hearts (Top Drilled)

1. Open one 10mm jump ring and slide on a heart shell and an earring wire. Close the ring tightly.

2. Open a second jump ring and slide on a heart and the first jump ring before closing tightly.

3. Do exactly the same with a third ring, this time attaching it to the last ring so you get a chain of three rings all with hearts attached.

4. Make a second earring exactly as before and wear with pride!
